

## FEEDER FINANCE PROGRAM

- Lending limits are structured to meet your business needs.
- We track the performance of your cattle from the time they are purchased until they are sold.
- Risk Management strategies available to maximize your return.
- You control the marketing of your cattle. If you choose to list your cattle on an internet cattle auction (TEAM or DLMS) you will be required to use JGL as the listing agent. If another agent is used a \$10.00 per head marketing fee will be applied.

### Fee Structure

- Interest rate will be CIBC prime + 1.5%.
- Minimum 100 head will be subject to a \$500.00 fee.
- \$2.00/head after first 100 and up to 500 head.
- \$1.50/head after 500 head.
- Down payment is determined on an individual basis- usually 10%.
- Feed advances will be available on a customer to customer basis and subject to market conditions and at the sole discretion of CCBC.
- If cattle are going to be fed in a custom feedlot or on lease pasture that is owned by someone else, CCBC must be notified and a lien waiver must be signed before cattle are purchased.

### Purchasing cattle

- All cattle must be purchased by JGL or one of its representatives.
- All cattle must be branded with a CCBC registered brand.
- Purchasing may not take place until Finance application has been approved and necessary documents have been signed and returned to our office.

### Application (for new and existing clients)

We will require the following information for loan amounts under \$500,000.00:

- A complete and signed application (business or individual).
- Detailed up to date Net worth statement, signed.
- For a business application, we require a copy of the Incorporation certificate and annual Corporation Return, as well as the accountant prepared Financial Statements.
- For an individual application, we require a copy of your driver's license or birth certificate for identification purposes.
